ELEMIS® BIOTEC FACIALS

If you have any skin concerns are looking for the next level of skincare, a BIOTEC facial could be for you. The BIOTEC machines uses microcurrent, ultrasonic, galvanic, oxygen infusion, and light therapy to address all different types of skin concerns. Lifestyle, UV light, stress and hormones can cause a breakdown in cellular energy and communication, resulting in a weakened skin structure and unbalanced complexion. BIOTEC uses a fusion of Actives, Touch and Bio-electric Technology to tackle these issues.

BIOTEC Line Eraser	\$165
Target wrinkles and energize the skin towards optimum performance with microcurrent pulses and red and blue light therapy. Circulation is improved, increasing the production of collagen and elastin. A powerfully rejuvenating clinically proven facial treatment that effectively irons out wrinkles and fills out lines.	

BIOTEC Firm-a-Lift	\$170
--------------------------	-------

Rediscover the architecture of your face with the ground-breaking blend of massage and sculpting galvanic technology. Skin is visibly strengthened for a contoured complexion that is remarkably lifted. Galvanic currents infuse the skin with bio-active formulas including Arjuna, Gardenia stem cells and Alaria Esculenta seaweed that tighten, tone and hydrate the skin.

BIOTEC Skin Resurfacer	\$155
------------------------------	-------

This revolutionary facial targets skin tone, blemishes, and fine lines to transform the texture of the skin. The ultrasonic peel, facial massage, and light therapy deliver a complexion that has never been smoother.

BIOTEC Radiance Renew	\$125
-----------------------------	-------

This cellular-boosting treatment targets sluggish complexions. The ultrasonic peel stimulates the removal of impurities and dead skin cells while the galvanic current restores moisture for instantly clearer and smoother skin.

BIOTEC Blemish Control	\$145
------------------------------	-------

A deep cleansing facial that detoxifies and repairs damaged tissue. Ultrasonic vibration, massage, steam, and galvanic currents thoroughly decongest and exfoliate. Powerful anti-oxidants soothe, while light therapy helps clear the complexion.

BIOTEC Sensitive Skin Soother	\$145
-------------------------------------	-------

This anti-redness treatment soothes sensitive skin. An oxygen infusion encourages cellular restoration, while red light therapy and calming anti-oxidants improve the skin's ability to repair itself. The result is calm and soothed skin.
